4 What to expect from the intervention

The Dyslexia Action Literacy Programme (DALP) used in sessions is evidence-based, but there is **no guarantee** that your child will make academic progress.

Literacy development depends a great deal on other things, such as school attendance and practice at home. Any co-occurring difficulties may also affect progress.

5 Your information (GDPR)

All information gathered during the intervention is handled in line with UK data protection law (UK GDPR).

Records are kept in secure, password-protected cloud storage with two-step login.

I keep records for six years after I last work with your family, then securely destroy them.

You can read the full privacy notice at yorkshirewoldsdyslexiaservice.co.uk/privacy.
